

**BRUCE POWER CONTRACTOR UNESCORTED ACCESS
BACKGROUND INVESTIGATION REQUEST**

Creative Services, Inc. (CSI) has been selected as an approved vendor by Bruce Power to process security clearances for contractors applying for unescorted access. Pursuant to Bruce Power requirements, CSI will process security clearances for site access for all contractors who within the past five (5) years, have lived or worked outside of Canada. For a level 2 clearance, it is within the past ten (10) years. In order to provide you with the proper documents for your clearance please indicate clearance level and list the addresses and date ranges in the space provided below and return via fax to 508-339-2352. A CSI representative will respond and provide you with country specific documents, instructions, approximate turnaround time and cost to process your security clearance. *Please note the background investigation conducted by CSI is separate from any other Bruce Power security requirements (ex. FBI fingerprinting, Royal Canadian Mounted Police check).
